Meeting with Sheha committee

List of member were attending in the meeting.

No	Names	Title
1	Juma Ali Maziku	Member of committee
2	Yussuf Marendeja	- do -
3	Iddi Omar Salum	- do -
4	Saburi Mfaume	- do -
5	Makoye Shaabani	- do -
6	Getruda Adolfo	- do -
7	Rashid Omar Mrisho	Central District Agri. officer
8	Suleiman S Mohammed	Project Manager

Criteria and set the indicator for 20 Koani farmer to be surveyed were discussed such as:

- Annual Income
- House Grade
- Family Size compare to annual income
- Farm Size, type, livestock number and type and Farming system value.
- Type of land ownership.

Criteria of poor farmer at Koani Such as:

- Poor house of grade 3
- Family Size compare to the annual income per household.
- Ability to work (healthy/fitness)
- Willing to participate on different project works.
- Land availability, should have plot at least not less than 0.5 are up wards.
- Should be a head of house hold (family)
- He/She should showing high commitment on farming activities.

- Not employed or to have many works example to much farm activities.
- Permanent accommodation/ living at Koani
- Other suggestion was to have wide collection of poor farmer for interviewed, so the Koani were divided into four Zones such as:-
- Manyame, Koani at the top and down the hill, Kibonde maji and "Mkahawa wa wajane" village.

Five poor farmers from each zone were selected through discussion, total of 20 poor farmers selected for interviewed as follows.
